### TRAINING OVERVIEW:

Participants in this 3 contact hour workshop will increase their awareness of Play Therapy as an appropriate treatment model for working with adults. Selection of interventions for specific problems will be addressed. Participants will have the opportunity to apply the play therapy interventions during role play and/or other play therapy techniques.

### Learning Objectives: The participants will

- 1) Explore the healing potential of play therapy with adult clients.
- 2) Review various techniques of play therapy with adults including:
  - Dramatic role play
  - Therapeutic humor
  - Sand play
  - Puppet play
  - Artwork
- 3) Briefly examine Client-Centered Play Therapy
- 4) List various adult populations who respond to play therapy.
- 5) Examine the therapeutic uses of play therapy with adults and when it is contraindicated.

**Cancellation Policy:** Refunds (minus \$5 processing fee) can be made, if requested 2 weeks (14 days) before date of workshop. In case of workshop cancellation, complete payment will be refunded.
